### en bioXtra ULTIMATE DRY MOUTH RELIEF

bioXtra products help ease the symptoms and effects of dry mouth (kerostoma). They contain natural enzymes, moisturizers, fluoride and xylitol (see individual product labels for details).

bioXtra products are for oral use only. bioXtra products contain traces of milk and egg-white protein. Do not use if allergic to any of the ingredients.

Natural saliva contains a complex balance of essential components, which protect the sensitive tissues of your teeth and gums.

**bioXtra Dry Mouth Oral Gel** bioXtra Oral Gel acts as an effective substitute for natural saliva by regulating the microenvironment of the mouth. The unique formulation contains intensive moisteners which soothe and lubricate for hours at a time and ease the symptoms and effects of dry mouth (kerostoma). It helps promote healthy teeth and general health and well-being.

**bioXtra is a range of oral care products which have been specially formulated to help relieve dryness in the oral cavity and regulate the microenvironment of the mouth. They supplement the natural protective and lubricating systems in saliva by regulating the microenvironment of the mouth. And because dry mouth (kerostoma) can cause sensitive, sore gums, for added comfort bioXtra products contain no alcohol, menthol, strong flavours or detergents.**

**bioXtra products comfort and protect dry, sore or sensitive mouths!**

**3 SIMPLE STEPS TO A MORE COMFORTABLE MOUTH** Special ingredients in bioXtra provide an immediate feeling of moisture and help regulate the microenvironment of the mouth.

**STEP 1 - CLEANSING** At least twice daily brush with bioXtra Dry Mouth Mild Toothpaste.

**STEP 2 - RINGING** Rinse with bioXtra Dry Mouth Ultra Mild Mouthrinse after brushing and, if desired, at regular intervals during the day for extra freshness and comfort.

**STEP 3 - MOISTURISING** For long-lasting lubrication and comfort, especially at night, apply bioXtra Dry Mouth Oral Gel to gums or under dentures. For convenience and immediate moisturisation during the day spray bioXtra Dry Mouth Gel Mouthspray directly into the mouth as often as required.

**Useful information for diabetics in case of accidental swallowing.** bioXtra Dry Mouth products are not intended to be swallowed; the following information may be useful for diabetics in case of accidental ingestion.
